

### Printmaking/Book Binding; Beginning

Teaching Artist: Lisa Zirbel

No materials needed for day one. All material requirements will be discussed in class or by email notification.

#### Required Materials:

- One linoleum 5" x 6" relief block. Example:
  - <https://www.dickblick.com/products/blick-readycut/>
- One relief carving multitool. Example:
  - <https://www.dickblick.com/products/speedball-linoleum-cutters/>
- \*One spool of linen bookbinding thread
  - Waxed or unwaxed. Color is student's preference
- \*Heavy needle (to fit thread)
- X-acto knife and spare blades.
  - Ensure blade number matches the handle number
- Pencil and eraser
- A variety of printmaking paper- suggestions will be made based on individual projects
- 2 sheets Book board, Davey board or chipboard 8.5" x 6" min.
  - the back covers of sketch/watercolor pads work for this

Optional – \*these can typically be found in bookbinding “starter kits”

- \*Bookbinding Awl
- \*Curved bookbinding needle
- \*Bone Folder
- PVA, PH Neutral Glue
- Sketchbook

Additional materials will be provided or requested prior to projects. In cases of economic difficulty, please speak to the instructor for supply alternatives.
